

CARNIVAL TIME QUILT

This quilt will measure 96 x 108" setting 8 twelve inch blocks across and 9 up and down (72 blocks) or 84 x 96" if 56 blocks are used (7 across and 8 up and down). A 3" border may be added if desired.

Material required for 96x108" quilt (border must be added to color you desire):

- A. Yellow--1/3 yd.--72
- B. White--3 2/3 yds.--576
- C. Red--3 2/3 yds.--576
- D. White--5 yds.--576
- E. Print--238
- F. Print--238

G 1/4 yds total (B and D total 8 2/3 yds white)

The print material may be the same for all the quilt or each section could be different (see sketch).

To piece the block: Sew 8 pieces of B together to form a hexagon. Sew this to the yellow center A. Now sew together C and D as shown in sketch, then sew 8 sections together to form a large hexagon. Sew the two hexagons together. Sew the short sides of E and F together. Join to D to form a square.

For quilt measuring 84 x 96" you will need 12 less blocks. A needs 56 pieces; B, C, D each require 480 pieces; E and F require 190 pieces each.

Border yardage must be added.
